

# Tools to talk pensions with your employees

We've taken the time to understand what you really need from us.

The result? A communications toolkit that makes it easy for you to talk pensions with your employees. The toolkit gives you lots of information on a range of topics. And you can choose how you communicate it – videos, posters, presentations...

# Build your toolkit

## How does it work?

It's very simple to use...

1. Go to our 'Help and support' section and select the 'Communications toolkit' tab
2. Choose the category that best suits you
3. Search by topic(s)
4. Use the filters to show all the documents you want
5. Select your chosen document(s) and hit download

The toolkit has everything you'll need and we're continually adding to your toolkit to make sure you have the right tools! Here are the current topics:

- Preparing for staging / duties start date
- Introducing The People's Pension
- Account management
- Combining pension pots
- Understanding investments
- Growing savings
- Retirement planning
- Automatic re-enrolment
- Switching providers
- Minimum contribution increases
