When you're ready, go to www.thepeoplespension.co.uk/setup or scan the QR code.

Make sure you have the following handy:

- ✓ Your National Insurance number (you'll find this on your payslip)
- ✓ Your customer number (this appears at the top of any letter we send you, or contact us at www.thepeoplespension.co.uk/member-contact)
- ✓ Your personal email address and mobile number

As part of your account set up we'll ask you to create a password. You'll need this every time you log in.

Keep your password as safe as you would your online banking details. We'll never ask you for this information over the phone.

If you'd like a hand with setting up your account, visit www.thepeoplespension.co.uk/accounthelp

We keep your details safe and secure

What you can do in your account

- Add your beneficiaries
- Transfer your other pensions
- Choose how you invest your pension pot
- See your rebate on the management charge*
- Update your personal contact details
- View your annual pension statements
- Review and change your selected retirement age

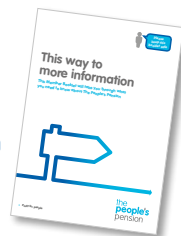

Important: Changing your selected retirement age could affect where your pension savings are invested. Find out more online:
