

Global Investment (up to 60% shares) Fund

30 September 2025

This document is provided for informational purposes only and should not be construed in any way as giving investment advice. Past performance is not necessarily a guide to future performance, as the value of the units may go up or down and any return is not guaranteed.

Investment objective

The People's Pension Global Investments (up to 60% shares) Fund is a medium-risk fund that invests in a combination of equities and bonds. The fund aims to produce moderate growth over the long term. It caters for members who are prepared to accept some degree of risk, but who look for investments which won't go up or down a lot.
